Art. 1 - LIMITS OF APPLICATION

This announcement regulates the admission of non-EU citizens residing abroad to the Double Degree Master Study Program in Production Engineering and Management – Ingegneria Gestionale per la Produzione - 2022/2023 academic year.

In accordance with the Italian D.M. 22nd October 2004, n.270, a Double Degree Study Program has been activated in collaboration with the Technische Hochschule Ostwestfalen-Lippe – University of Applied Sciences and Arts of Lemgo (Germany) to attain the double degree Master in Production Engineering and Management – Ingegneria Gestionale per la Produzione, of the class of masters degrees in Ingegneria Gestionale (Engineering Management) LM-31 from the Italian side, and Master of Science in Production Engineering and Management from the German side.

The program involves earning 120 ECTS credits (European Credit Transfer System), where one ECTS credit is recognised as being the equivalent of one Credito Formativo Universitario (CFU) in the Italian system and of one base unit in the German evaluation system.

The course will last two academic years.

Teaching will take place at Pordenone, branch of the University of Trieste in Italy and at the Technische Hochschule Ostwestfalen-Lippe – University of Applied Sciences and Arts in Lemgo (Germany), where students must attend the first semester of the second year and obtain 30 (thirty) ECTS.

Teaching will be carried out in English.

The course is open to applicants according to the Italian laws: article 2 of the law 2nd August 1999, n.264.

Admission to the course will be based on the requirements described below in art.3, on the order of academic ranking and restrictions on the number of places available.

Art. 2 - PLACES AVAILABLE

The places for the first year of course reserved for foreign nationals (non-EU) residing abroad are no. **8 (eight)**.

Any remaining vacant places at the end of applications will award by merit order to the candidates of the forthcoming Announcement used by European Union nationals and assimilated.

Art. 3 - REQUIREMENTS FOR ADMISSION

Requirement for admission to Master Course of art.1 is the possession of the following requirements:
