Insurance Policies

The applicant student is required to ask the Student Secretariat Units, a copy of the insurance coverage to be attached to this project.

It should be noted that:

- The University Administration has stipulated, with a leading insurance company, a special insurance policy against the risk of Civil Liability towards Third Parties, which includes among the risks covered also the research, study and / or internship carried out by all its students. The insurance coverage is also extended to institutional activities carried out both in Italy and in the rest of the world by the aforementioned subjects at other bodies or companies, based on agreements and / or conventions, including internships and training and orientation internships.
- The policy covers personal injuries as well as damage to equipment in use or custody.
- It is emphasized that the responsibilities covered are those under the law attributable to the University, also for the fact of the persons for whom it must respond.
- It is specified that the personal liability of students is also covered, both in Italy and abroad, with waiver of the right of recourse and subrogation by the insurer even in cases where the damage is due to gross negligence, for damages involuntarily caused to third parties for death, personal injury and damage to property, as a result of an event occurring in relation to the activity carried out, if they go, on the basis of agreements and / or conventions, to other universities, bodies or companies to carry out institutional activities, including: research activities, internship periods, training and orientation internships, educational visits and the like.
- As far as accident insurance is concerned, it should be noted that pursuant to art. 4 point 5 of the T.U. of the provisions for compulsory insurance against accidents at work and occupational diseases, approved by Presidential Decree 30.06.1965 n. 1124 and subsequent amendments, are included in the insurance "teachers and pupils of schools or educational institutions of any order and degree, who look forward to technical-scientific experiences and practical exercises".
- With regard to exposure to ionizing radiation, please refer to the provisions of art. 1 (point B) of Presidential Decree 30.06.1965 n.1124.
- Accidents at work INAIL: management on behalf of the State provided for by the combined provisions of Articles. 127 and 190 of the T.U. INAIL (DPR N. 124/65) and regulated by D.M. 10.10.85
- Insurance:

Insurance policy for Civil Liability:

Company: AXA Assicurazioni S.p.A.

Number: 7/409966378

Expiry Date: 31/12/2024

Accident Policy:
